OPERATION 555

ASK, GO & BRING THE MEN IN

Life.
Make it count.

Here is an opportunity for you to make your life count as a member of the Fellowship. It is a call out for you to ask the Lord for the heathen and go bring the men to the Lord and into the Fellowship.

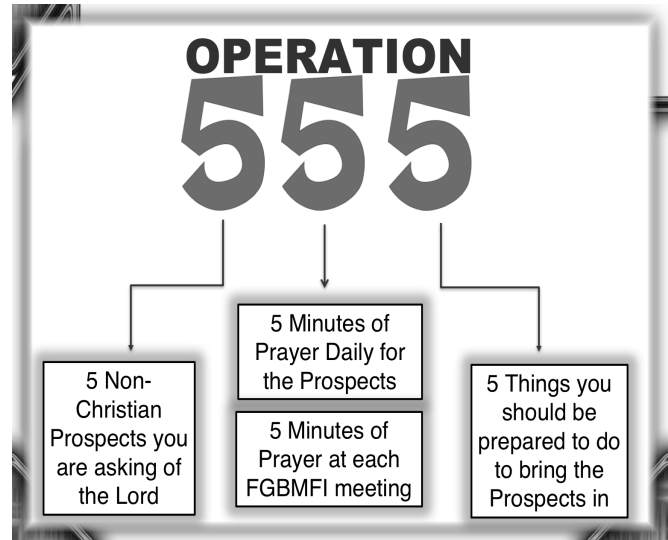

With OPERATION 555, you get to fulfill the Great Commission and help in achieving the first mission statement of FGBMFI, which is "to reach all men for Christ." Besides, you join the league of the wise, who win souls for Christ. Your life can't be better than for you to constantly cause rejoicing in heaven as you lead men to the Lord. It's like being in God's Hall of Fame.

OPERATION 555 EXPLAINED

PRATERFULLY identify, at least, 5 heathen, hereafter called Prospects, that the Lord is leading you to ask of Him.

Pray for the prospects by name every day for 5 minutes at the least. Also pray for 5 minutes at every FGBMFI meeting.

Do 5 things to bring the prospects into the Kingdom and into the Fellowship.

5 THINGS TO DO

CONNECT Be friendly. Don't judge.

COMMUNICATE Listen more than you speak. Don't attack their values. Don't barge into their lives. Ask for permission to share or pray.

MODEL Model the live you wish the Prospects to live. Be real.

INVITE Invite excitedly to FGBMFI meetings. Don't give up. Keep inviting. Be courteous.

SHARE Share the Voice and the Gospel. Be polite. Be prayerful.

Your Prospects' List should be updated regularly. When a Prospect becomes a Christian, replace him / her with another and keep following up the new believer.
